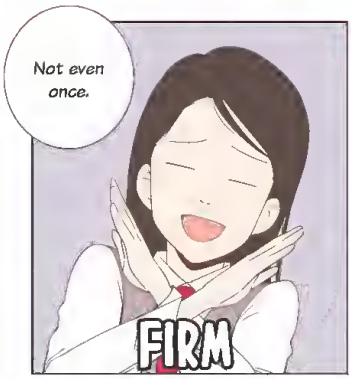
OUR RELATIONSHIP IS

*TN: Hanwoo is premium beef

The following is a question that I've often been asked from being associated with this guy.

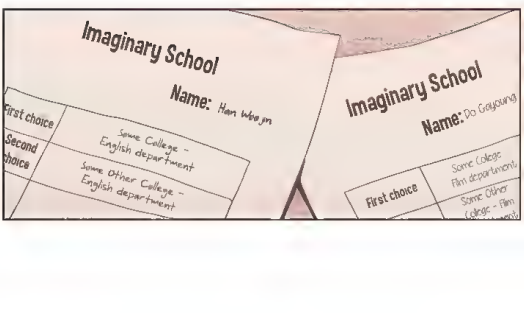
After that, the conversations usually flow like so.

*TN: In Korea some is a popular term used to describe a relationship where two people aren't officially together, but like each other and are unofficially together.



I'm sick of it...;;

And though our relationship has been misunderstood so often, he's still my childhood best friend



I never said it outright due to my shy personality, but I wanted to stay together even after graduation...

YOU'VE BEEN REJECTED

And thus, we were separated at the age of twenty.

THANK YOU FOR APPLYING TO THE FILM DEPARTMENT AT SOME COLLEGE..

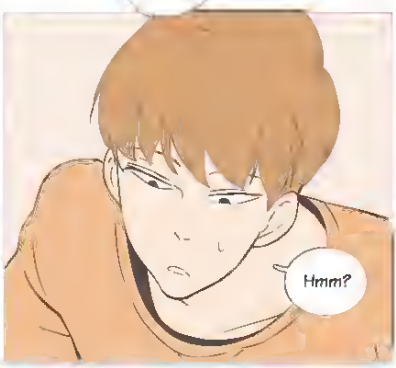
Uargghhhhhhh - Ahhh-i (Heheheh - Accepted-I)
Das a relie- (That's a relief)

Then we have to go to college together too, I guess
Hah, I'm tired of it!



Hmm?

Ah, yeah I guess so
Eh, what? Don't you want to go together?

TN in Korea men have a mandatory military service they must serve that's about two years generally before they turn 30

Han Woojin didn't do well on his last mock test, so he applied for service right away. (He's so stupid)

Han Woojin (20)
Special note- good answer guesser.

Do Gayoung (20)
Special note: Lost her friend who she eats lunch with

So our story...

Begins when this rascal returns
from the military.
